BLACK CAT PISTON

TRUSTED DURABILITY, SINCE 1947...

Southwest's Black Cat® piston is a premier nitrile-compound piston that can be utilized in a variety of drilling muds.

Developed to handle the numerous chemicals found in drilling mud today, The Black Cat piston elastomer has excellent abrasion, chemical and heat resistance.

Key Features Include:

- ✓ Excellent liner wear characteristics
- ✓ Suitable for moderate temperature service (180°F)
- ✓ Can be used in water, some oil and synthetic drilling muds
- ✓ High resistance to chemical breakdown, tearing and abrasion

<i>Part Number</i>	<i>Size / Description</i>
76BBC	4" Black Cat® Piston
78BBC	4 ½" Black Cat® Piston
81BBC	5" Black Cat® Piston
83BBC	5 ½" Black Cat® Piston
85BBC	6" Black Cat® Piston
87BBC	6 ½" Black Cat® Piston
89BBC	7" Black Cat® Piston

Southwest Oilfield Products, Inc. (Houston TX, USA) is a premier oil and gas equipment manufacturer providing innovative mud and well service pumping solutions to the world's leading oil & gas exploration and production companies. With over 60 years of experience our mission is to provide best in class products and services to the global energy industry.
