

250 CENTRIFUGAL  
PUMP SERIES

# PROVEN PERFORMANCE & DURABILITY

Southwest is proud to offer the new Southwest Oilfield, 250 Series Centrifugal Pump. Engineered for durable performance, these centrifugal pumps are suitable for a variety of pumping applications including:

- Triplex Supercharging
- Liner Washing
- General Charging
- Mud Hopper & Guns
- Trip Tank
- Degasser
- Water Pumping
- Mud Cleaner

## Key Features Include:

- Heavy-duty, cast iron frame to withstand high pumping loads
- Robust concentric housing which eliminates vibration, turbulence and cavitation
- Utilizes angular contact bearings for maximum durability
- Stainless steel shaft sleeve to protect shaft from abrasive fluids
- Available with a tungsten-tungsten mechanical seal
- Standard with rope packing for adjustable secondary leak prevention
